# Instructions

(Read this document carefully. If needed, print this document)

1. Visit [www.raisingamathematician.com](http://www.raisingamathematician.com) and apply for the camp AG MNC 2022. A video tutorial on 'How to register on the student portal' is available on the website.
2. Make an online payment of Rs. 140 towards the non-refundable application fee using the link provided on the student portal.
3. Applications without the successful payment of the application fee will be considered incomplete. Application has to be completed latest by December 4th, 2022. If any candidate is unable to afford the application fee, their school may contact us requesting a waiver for the same.
4. The applicants will have to appear for a selection test, which will be conducted on December 11th, 2022. Details of the selection test will be communicated to the applicants and will also be made available on our website.
5. The selected students will be informed through email on or before December 16th, 2022. A list of selected students will also be displayed on [www.raisingamathematician.com](http://www.raisingamathematician.com) on or before the above date. Regret letters will not be sent to the students who are not selected. Selection of students by the committee will be final and no discussions in this regard will be entertained.
6. AG MNC 2022 will be offered free of cost.
7. Kindly **do not** contact us if the student is not selected by asking:
  - For reasons for not choosing
  - Requesting to explain the selection procedure
  - Scores on the test
8. The decision on the selection of students will be with the selection committee.
