## NATIONAL ONLINE MATH CONTEST

# ABOUT US

## RAISING A MATHEMATICIAN FOUNDATION

RAM is a not-for-profit organization that promotes mathematics education nationwide through various initiatives. From its flagship residential mathematics camp - 'Raising A Mathematician Training Program' (RAM TP) to annual camps like Epsilon India, Math.Biz, All Girls Math Nurture Camp (AG MNC), Math Olympiad Training Programs (FMOTP, IMOTP and AMOTP) and Informatics Olympiad Training Program (IOTP) designed for students aspiring for Computer Olympiad. These are year-round training program for students aiming to participate in the International Mathematical Olympiad and Indian Computing Olympiad. RAM also conducts Maths Circle for non-English medium school students in the suburbs of Mumbai which happens to be the first Maths Circle in India for non-English medium students.

## ROOTS

ROOTS is a unique mathematics contest for 5th to 8th grade students that tests their ability to strategize and solve Mathematical problems using logic and reasoning. The questions are intriguing as well as challenging that demand thinking and not merely knowing formulae.
