**PRAVAHA**

# ABOUT US

## RAISING A MATHEMATICIAN FOUNDATION

Raising A Mathematician (RAM) is a not-for-profit organization that promotes mathematics education nationwide through various initiatives. From its flagship residential mathematics camp - 'Raising A Mathematician Training Program' (RAM TP) to annual camps like Epsilon India, Math.Biz, All Girls Math Nurture Camp (AG MNC), Math Olympiad Training Programs (FMOTP, IMOTP and AMOTP) and Informatics Olympiad Training Program (IOTP) designed for students aspiring for Computer Olympiad. These are year-round training program for students aiming to participate in the International Mathematical Olympiad and Indian Computing Olympiad. RAM also conducts Maths Circles in Chennai, Nagpur, Delhi and suburbs of Mumbai.

## ROOTS

ROOTS is a unique mathematics contest for 5th to 8th grade students that tests their ability to strategize and solve Mathematical problems using logic and reasoning. The questions are intriguing as well as challenging that demand thinking and not merely knowing formulae.

This year, ROOTS is not just for students, it is for Teachers as well. If you are a teacher who loves problem-solving and wants to be part of this intellectual journey, join ROOTS 2025.
